

SUN HAT JULIE

In collaboration with Falkgarn by Anna Hidesjö

Yarn: Julie, colour 10 ecru. 4 Skiens.

One size

Feel free to use a stitch marker!

Brim

In this pattern you are free to do as you like. I recommend trying on the hat and see how wide you want the brim to be. Some like it a little more modest and smaller and some want a big one, like mine, so go with the flow and when you're pleased just do the last round.

OPTIONAL

The hole we made works as a hanger but also if you want to sew on a button and have one side up! You do as you like!

Also you might want to strengthen your hat, I used google and tried a method with potato flour, worked pretty good, but this step is not necessary.
